**Join us for the 5th International Students Conference on Informatics from the 21th to the 23th of May 2015 in Sibiu, Romania.**

http://conferences.ulbsibiu.ro/icdd/2015/

The conference is addressed to bachelor and master level students. Conference aim is to bring together students from different universities from all over the world to discuss and present their researches on informatics and related fields (like computational algebra, numerical calculus, bioinformatics, etc,) and their results. The conference welcomes submissions of original papers on all aspects of informatics and related fields ranging from new concepts and theoretical developments to advanced technologies and innovative applications. Paper acceptance and publication will be judged on the basis of their relevance to the conference themes, clarity of presentation, originality and accuracy of results and proposed solutions. The presentation should include also an application. Pure theoretical results are accepted only if they introduce new concepts.
