Eight International Conference on Applied Informatics

23-25 May 2024, Sibiu, Romania

<http://conferences.ulbsibiu.ro/icdd>

The conference is mainly addressed to young researchers from all over the world. The conference gives the participants the opportunity to discuss and present their research on informatics and related fields (like computational algebra, numerical calculus, bioinformatics, etc.). The conference welcomes submissions of original papers on all aspects of informatics and related fields ranging from new concepts and theoretical developments to advanced technologies and innovative applications. Paper acceptance and publication will be judged on the basis of their relevance to the conference topics, clarity of presentation, originality and accuracy of the results and proposed solutions. The presentation has to include also a practical application. The conference will include regular presentations (20 min.), short IT Companies presentations, a session of multimedia posters and a round table. The official language of the conference is English.
