

**3rd International Engineering and Technical Education Conference (IETEC'15)
and 7th Balkan Region Conference on Engineering and Business Education (BRCEBE)
Sibiu, Romania; 1 - 4 November 2015**

The Conference

This year IETEC and BRCEBE is being held as a joint conference in beautiful Romanian City, Sibiu, between 1 and 4 November 2015. IETEC'15 and BRCEBE brings together a wide range of engineering, technology and business education stakeholders from around the globe to explore the building of new capacities that are essential in creating environmentally and socially sustainable 21st century economies. This joint conference aims to identify and explore the latest trends and developments that will shape the future worlds of engineering, technology and business education. IETEC 15 is the third conference in the series while BRCEBE is being held the 7th time.

Situated in the heart of Transylvania, at the foothills of the Carpathians, Sibiu is one of the most important cultural centres of Romania and one of the most beautiful medieval towns in Transylvania. Due to its cultural richness along with its history, traditional values, architectural and geographical beauty, Sibiu was designated "the European Capital of Culture" for the year 2007 and, according to Forbes, it is one of Europe's most idyllic places to live.

The Conference will be staged at the "Lucian Blaga" University of Sibiu (LBUS) which is proud to offer students a wide range of subjects, going from foreign languages to engineering sciences, and from economics to medical sciences. The University is privileged to encourage the wish of knowledge improvement of the new generations and to assist and guide them through this qualitative process.
